

### **PRM30504 Certificate III in Asset Maintenance (Waste Management)**

To achieve Certificate III, the candidate for recognition must have demonstrated competency against all 6 specified core units and 11 elective units.

Of the elective units:

- a maximum of 4 may be from the Certificate II level units
- a minimum of 4 must be from Elective list A: Waste-specific units
- a maximum of 2 elective units may be chosen from any other approved Training Package, at level or above, as long as they contribute to a valid, industry supported vocational outcome and are not the same or similar to any of the units listed in either Elective list A: Waste-specific units or Elective list B: Non-specific industry-related units
- the remaining elective units may be chosen from Elective list A: Waste-specific units and Elective list B: Non-specific industry-related units.

<b>Core units</b>	
PRMWM11B	Respond to waste emergency
PRMWM30B	Determine waste management services
PRMWM44B	Identify wastes and hazards
PRMCMN301A	Contribute to workplace safety arrangements
PRMCMN302A	Respond to customer inquiries and complaints
BSBCM313B	Maintain environmental procedures
<b>Elective list A: Waste-specific units</b>	
PRMWM07B	Implement waste management plan
PRMWM22B	Monitor disposal site
PRMWM25B	Monitor contained waste
PRMWM32B	Inform and educate clients on waste management issues
PRMWM56A	Implement landfill rehabilitation plan

**Note:** Industry considers unit RUXCC301A Develop a recipe for composting, to be suitable for inclusion as a ‘Waste-specific unit’ at this level, once it is endorsed.

<b>Elective list B: Non-specific industry-related units</b>	
PRMWM54B	Maintain credit control
PRMWM55A	Provide quotation
BSATEC303B	Maintain computer files
BSBADM308A	Process payroll
BSBADM309A	Process accounts payable and receivable
BSBADM310A	Maintain a general ledger
BSBCM308A	Maintain financial records
BSBRKG304A	Maintain business records
LGAWORK302A	Oversee traffic control plan around a work site
TDTB697B	Carry out inspection of vehicles designed to carry special loads
TDTC497C	Drive heavy rigid vehicle
TDTC597C	Drive heavy combination vehicle
TDTC697B	Drive multi-combination vehicle
TDTD2498B	Use specialised liquid bulk transfer equipment (gravity/pressurised)
TDTF1397B	Coordinate breakdowns and emergencies
TDTH297C	Plan and navigate routes
WRRM3B	Coordinate merchandise presentation
WRRS3B	Coordinate sales performance
