

Qualifications Summary

This table summarises the relevant number of units in each category for each qualification.

Qualification	Number of units					
	Total ¹	Core ²	Ops ³	At level ⁴	Level-1 ⁵	Import ⁶
Certificate II in Process Support PMA20202	16	5	0	6		2
Certificate III in Process Support PMA30202	21	5	0	4		3
Certificate II in Process Plant Operations PMA20102	16	5	4	6		2
Certificate III in Process Plant Operations PMA30102	21	5	2	4		3
Certificate IV in Process Plant Technology PMA40102	26	5	1	3	2	5

¹ Minimum total number of units of competency of all categories required (note that these numbers are cumulative – if, for example, you have completed a Certificate II qualification under this training package then you will only be required to achieve a further 5 units to gain a Certificate III qualification)

² Minimum number of core units of competency required

³ Minimum number of OPS (operations) units of competency required

⁴ Minimum number of units of competency which must be chosen from the suite of units at the same AQF level as the qualification

⁵ Minimum number of units of competency which must be chosen from the suite of units at the same AQF level as the qualification or the level immediately below

⁶ Maximum number of units of competency which may be imported from another training package
