

Qualifications Summary

This table summarises the relevant number of units in each category for each qualification.

Qualification	Number of units				
	Total ¹	Core ²	Ops ³	At level ⁴	Import ⁶
Certificate II in Manufactured Mineral Products PMC20104	15	6	2	2	7
Certificate II in Production Support PMC20204	15	6	0	2	7
Certificate III in Manufactured Mineral Products PMC30104	20	7	1	1	12
Certificate III in Production Support PMC30204	20	7	0	1	12
Certificate IV in Manufactured Mineral Products PMC40104	24	8	1	1	15

¹ Minimum total number of units of competency of all categories required (note that these numbers are cumulative – if, for example, you have completed a Certificate II qualification under this training package then you will only be required to achieve a further 5 units to gain a Certificate III qualification).

² Minimum number of core units of competency required

³ Minimum number of OPS (operations) units of competency required

⁴ Minimum number of units of competency which must be chosen from the suite of units at the same AQF level as the qualification

⁵ Maximum number of units of competency which may be imported from another training package
